| 996 | 47 | 27 | 123 | 25 | 499 | 24 | 26 | 25 |
| K | L | M | N | P | Q | R | S | T |

Skador/damage Both ends have been broken, but the right-hand side seems to have original end surface.

Kommentar/comments The edges become significantly more square towards the left-hand side. However, as this artefact was found outside the ship, this probably indicates which areas were buried in sand, rather than placement on the ship.
